

Equal Opportunity and Anti-Discrimination Policy

Help for non-English speakers

If you need help to understand the information in this policy please contact the school on 9687 1535

Purpose

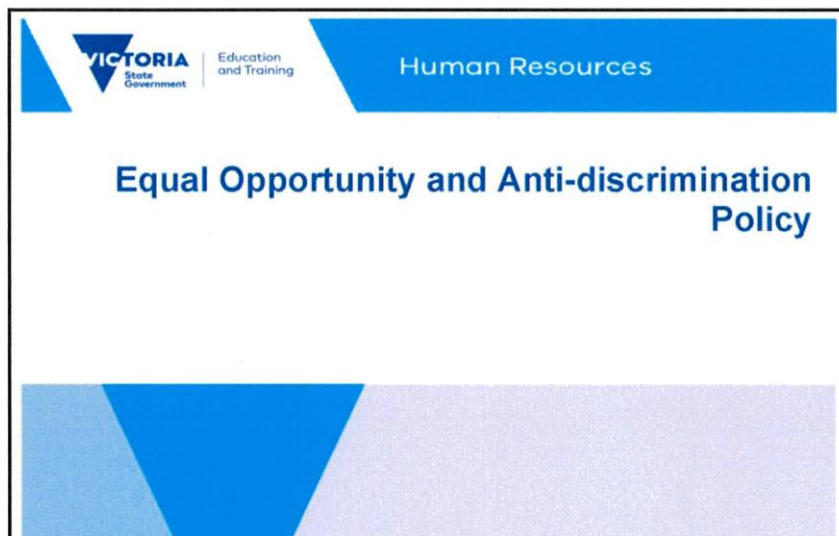

To outline Footscray West Primary Schools (FWPS) commitment to providing safe, inclusive and respectful workplaces which are free from discrimination and harassment.

Scope

This policy applies to all Department workplaces including schools.

Schools should not develop local policies on Equal Opportunity for staff but instead should follow the whole of Department policy. The Department encourages school councils to follow the Department's Equal Opportunity and Anti-Discrimination Policy for all school council employees, contractors and volunteers to ensure the same expectations of all people working in the same environment. It is recommended that a motion be passed by the school council to formalise this.

Policy

The FWPS School Council approves the adoption of the Department's Equal Opportunity and Anti-Discrimination Policy for all school council employees, volunteers and contractors engaged by the school council.

POLICY REVIEW AND APPROVAL

Policy last reviewed	August 2021
Approved by	Principal and tabled at school council
