

The Lunchbox is a locally owned business, located onsite at Footscray West Primary School. We operate a lunch service and cash recess & lunch sales each Wednesday, Thursday & Friday.

The philosophy of the business is to provide healthy lunch options to children. We know when children are fuelled well, they learn & play well too.

Our menu offers homemade options such as Bolognese, Pesto, Bento Boxes & Pork, Apple & Carrot Sausage Rolls, Sushi & Burgers, we also make our own Bliss balls, Granola and Brownies.

We offer what kids want to eat with reduced sugar & salt-taste is not compromised, the food is still utterly delicious!

We work in a nut free environment. Dietary needs have been catered to with plenty of gluten free, vegetarian and vegan options available. If your child has more specific dietary needs, please get in contact with us so we cater to your individual requirements.

We operate in accordance with the Vic Health, Healthy School Canteens 'Traffic light system'.
