PURPOSE

To explain Footscray West Primary School's (FWPS) policy in relation to personal property and to ensure that special or valuable items of personal property are not brought to school.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

FWPS understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education and Training **does not** have insurance for personal property of staff, students and visitors. FWPS does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

FWPS encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

At the school's discretion, if students bring items of value to school, they may be confiscated and stored securely until the end of the day, when the items may be collected by the student and/or parent.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- annual reminders in our school newsletter
- available publicly on our school's website
- Class Teachers will remind students not to bring items of value
